Subject:

Good morning and congratulations!

You are receiving this email today because the HAB award letters are in the mail as of this morning and I have the pleasure of being your grant manager for the grant year of 8/1/14-7/31/15. The attachment with this email provides your award amount (public information per law). Some of you will see large cuts and some small ones – I can answer any questions about that when we meet.

Because I am covering a large geographic area in a short amount of time, I am asking that you review the list of dates below, type in whatever notes apply to your availability or lack thereof (the column will expand as needed) and then I will call back to finalize a meeting time.

My aim is to help you get an executed contract by August 1st. In order to do that, please look for and respond quickly to any emails from me during this contract development period. As we interact, you will need to provide an electronic copy of your rfp application. Individually I will advise you should you need further submissions regarding vendor identification, Grants Gateway, Responsibility Questionnaires and MWBE requirements – all described and required in the rfp that you responded to. Failure to respond quickly when information is requested can greatly delay or prevent your contract from getting approved.

Please respond to this email as quickly as you can – as soon as I get enough info to set up a trip to your geographic location, I will call you.

I can't wait!

Highest regards,

Janice Caminiti

PROPOSED LEGISLATION WORDING

ORDINANCE

entitled

AN ORDINANCE AUTHORIZING THE BINGHAMTON-JOHNSON CITY JOINT SEWAGE BOARD FISCAL OFFICER TO MODIFY THE 2014 JOINT SEWAGE BOARD BUDGET IN RELATION TO UNBUDGETED REVENUE RECEIVED.

WHEREAS, the Council of the City of Binghamton and the Board of Trustees of the Village of Johnson City approve the annual budget of the Binghamton-Johnson City Joint Sewage Board ("JSB"); and

WHEREAS, the JSB has received a security deposit refund of \$2,681.25 from its former landlord; and

WHEREAS, the security deposit refund was not included in the JSB 2014 estimated revenue budget, which now requires modification to include the new revenue and correspondingly increase appropriations for payment of expenses to be funded by the increased revenues in a manner identified to the source and intended use of such funds,

NOW, THEREFORE, the Council of the City of Binghamton, duly convened in regular session, does hereby ordain as follows:

Section 1. That the City of Binghamton hereby authorizes and directs the Binghamton-Johnson City Joint Sewage Board Fiscal Officer to increase estimated revenue in the JSB's 2014 budget in the amount \$2,681.25 on estimated revenue budget line J.42701 ("REFUND OF PRIOR YEAR EXPENSE") and to recognize and record \$2,681.25 in revenue received on such line.

Section 2. That the City of Binghamton hereby authorizes and directs the Binghamton-Johnson City Joint Sewage Board Fiscal Officer, upon journaling the above transactions, to increase appropriations [a] in the JSB's 2014 operating budget line J8130.54511 ("OFFICE LEASE/RENTAL") by \$1,054.13 to true-up such line and [b] in the JSB's 2014 operating budget line J8130.52200 ("FURNITURE") by \$1,627.12.

Section 3. That this ordinance shall take effect immediately upon approval by a majority of the Council of the City of Binghamton and a majority of the Board of Trustees of the Village.

PROPOSED LEGISLATION WORDING

ORDINANCE
entitled

**AN ORDINANCE AUTHORIZING TRANSFERS TO
TRUE-UP SEVERAL 2014 JOINT SEWAGE BOARD
BUDGET LINES.**

WHEREAS, the City of Binghamton is a joint owner of the Binghamton-Johnson City Joint Sewage Treatment Plant (the "JSTP") with the Village of Johnson City; and

WHEREAS, the JSTP is operated pursuant to an Intermunicipal Agreement as amended from time to time; and

WHEREAS, Section 23 of the Intermunicipal Agreement sets forth the procedure to be followed by the Joint Sewage Board ("Sewage Board") to obtain approval of mid-year budget transfers that do not increase the budgeted expenses for the Joint Sewage Project; and

WHEREAS, a majority of the members of the Owners' legislative bodies must vote to approve budget transfers that, cumulatively, exceed \$20,000.00 during any year; and

WHEREAS, a mid-year review has identified two budget lines that have become overspent and two others that are projected to become overspent before year-end; and

WHEREAS, the Sewage Board's Business Manager has identified the funds needed to true-up the affected budget lines,

NOW, THEREFORE, the Council of the City of Binghamton, duly convened in regular session, does hereby ordain as follows:

Section 1. That the Joint Sewage Board Fiscal Officer is authorized and directed to transfer \$10,568.75 in unencumbered funds from 2014 Joint Sewage Board operating budget line J8130.54150 ("CHEMICALS") to the following 2014 operating budget lines, in the following amounts:

to J8130.53002 ("ACCOUNTING SERVICES -- CITY") in the amount of \$500.00;

to J8130.54520 ("EQUIPMENT LEASE/RENTAL") in the amount of \$7,000.00; and

to J9089.58100 ("SICK TIME BUY-BACK") in the amount of \$3,068.75;

and

Section 2. That the Joint Sewage Board Fiscal Officer is authorized and directed to transfer \$6,732.98 in unencumbered funds from 2014 Joint Sewage Board Capital Fund line JH8130.554009 ("SCADA") to 2014 Capital Fund line JH8130.554022 ("SCADA") and, upon completing the Capital Fund transfer, the Fiscal Officer is authorized and directed to

liquidate and close-out Capital Fund line JH8130.554022 ("SCADA") given that the contracts and projects funded by the line have been completed; and

Section 3. That this ordinance shall take effect immediately upon the approval of a majority of the legislative body of the Village.

I HEREBY CERTIFY that the above-described funds are unencumbered and available.

Old language regarding political signs

§ 410-64. Permitted Signs.

The following signs are permitted in any district without a sign permit or fee:

I Political signs, provided that such signs are not more than 32 square feet in area if located in a commercial or industrial district or four square feet in a residential district; are limited to not more than one per lot; are located entirely on private property pursuant to the owner's consent; are clearly marked with the name, address and telephone number of the person responsible for the removal of such sign; are erected not more than 60 days prior to any general, special or primary election and are removed within 14 days following such election; and are erected only in the district in which the candidate is running for office.

New Language regarding political signs

§410-65. Signs Allowed by Right.

The following signs are permitted in any district without design review, sign permit, or fee:

H. Noncommercial signs, provided that such signs are not more than 32 square feet in area if located in a commercial or industrial district or four (4) square feet in a residential district; are limited to not more than one message or topic per street frontage; are located entirely on private property pursuant to the owner's consent; and are maintained as so to prevent any corrosion, rotting or other deterioration in the physical appearance or safety of such sign in accordance with §410-62(J) above..

§410-61. Definitions.

Noncommercial Sign. Any sign (including, but not limited to: political signs, statements of opinion, no trespassing signs, and similar) designed for the purpose of any noncommercial expression not related to the advertisement of any product, item for sale, or service or the identification of any business.

TRAFFIC BOARD MEETING 996
AGENDA
Mayor's Conference Room, 4th Floor, City Hall
Thursday, July 17, 2014

Call to Order. Called to order at 10:05am by Jared Kraham, Executive Assistant to the Mayor.

Traffic Board Member Present: Bill Berg, Councilman; Gary Holmes, Commissioner of Public Works; Jared Kraham, Executive Assistant to the Mayor;

Traffic Board Members Absent: Philip T. Krey, City Engineer; William Yeager, Assistant Police Chief

Also Present: Daniel Correll, Police Sergeant (Retired); Katherine Davis, Principal Clerk; William Lescault, Police Officer; Leigh Mc Cullen, City Planner; Councilman John Matzo; Sarah Campbell and Mark Parker from Keystone Associates

ITEMS CONSIDERED

Approval of Minutes. Motion to approve the minutes from Traffic Board Meeting 995, held on Monday, June 30, 2014. Moved by Berg, seconded by Holmes.

Motion carried. (Vote 5-0-0)

Ayes: Berg, Holmes, Kraham

Nays: None

Absent: Krey, Yeager

162 Water Street - Sarah Campbell presented the proposal for a new parking lot for Ellis Brothers. They would like a new curb cut on Water Street. There will be sliding gates which will allow permitted users access to the lot.

Motion for new curb cut on Water Street to access a parking lot.

Moved by Berg, seconded by Holmes

Motion carried. (Vote 3-0-2)

Ayes: Berg, Holmes, Kraham

Nays: None

Absent: Krey, Yeager

1 Hawley Street. Ms. Campbell presented their plans for use of the old JC Penny building. Ms. McCullen from Planning noted that there is a concern about back- in parking. There needs to be adequate areas for loading and unloading because they should not be using the City's right of way (sidewalk, etc) for loading/unloading use. **No action needed.**

247 Robinson Street. Planning will present plans for request for reuse of a formal post office as a convenience store. The hours will be 7am to 10pm with approximately 200 customers daily. There will be 2 employees working. The store will be located in close proximity to Calvin Coolidge School. Neighbors are concerned about pedestrian safety on Bigelow and how increased traffic could affect the safety of this area. Councilman Matzo noted that his district is also concerned about the pedestrian safety, specifically in the area where the church is. Ms. McCullen presented that owners would like to re-orient the parking so that it is parallel to Robinson as opposed to perpendicular so that customer vehicles cannot back out onto to Robinson. This way, vehicles will be forward facing when exiting on Robinson so drivers can see pedestrians. The curb opening on Bigelow will be removed and replaced with landscaping. The new plans will be to code. Mr. Kraham suggested pedestrian signs so that motorists are aware of the pedestrians in the area. Officer Lescault noted that during the school year the crossing guards will be helpful but once people have crossed the street they will be on their own. Mr. Kraham noted that the business plans are sufficient for safety regarding the new curb cut but he recommended that there should be pedestrian signs and maybe hatched crosswalks. **No action needed.**

Speed Sign Placement. Mr. Holmes reported that there is enough money in the budget to purchase a mobile speed sign. It will be advisory only and not used for enforcement. The sign will be purchased and installed by DPW. **No action needed.**

Charles Street. Mr. Correll reported that they will give the orders to DPW for this item.

Stanley Street/Clinton Street. The line of sight is acceptable so there won't be any changes.

Back-in Parking on Court Street – This item is held until the next Traffic Board meeting in August because Mr. Krey is absent. **Item held until next meeting on August 21st.**

Court Street and Milford Street. Mr. Bob Woodward requested that the stop sign be placed in a better position at this corner. Mr. Correll reported that the stop sign on Milford is a State owned sign and it is sitting back 30-40 feet from the corner. There appears to be a hole in the ground closer to the corner where there was a previous sign. **Traffic will contact BMTS and report back at the next meeting on Thursday, August 21st. Item held.**

Chenango and State Streets. Councilwoman Lea Webb requested that Traffic Board look into the pedestrian walking infrastructure at the entrance to the K-Mart plaza. **Traffic will look into this and report at the next Traffic Board meeting on Thursday, August 21st. Item held.**

Leroy and Front Streets Traffic Light. M&T Bank and River House are having issues at this location because the traffic is backing up due to construction on Riverside Dr. They would like a four way flashing light at this intersection during the construction period. DPW will look into the timing of the current lights to see if they can be adjusted to provide more time for people to exit the two facilities. **Mr. Holmes will report back at the next Traffic Board meeting on Thursday, August 21st. Item held.**

351 Front Street. Ms. McCullen presented the applicant's proposal for constructing an addition to the existing building which is currently operating a towing, auto repair and car rental business. Trucks will have to back into the facility on Franklin. There is potential for extra noise due to the extra amount of trucks coming and going. Traffic Board needs more information on this proposal before they can make a decision. **Ms. McCullen will report back at the next Traffic Board meeting on Thursday, August 21st. Item held.**

Holiday Inn-Downtown. The Holiday Inn requested directional signage be posted near Prospect Avenue. Mr. Correll reported that the owner feels that his customers are having a hard time finding the hotel due to the highway construction. The owner would like a sign that says "Holiday Inn" with double arrow directions. If approved, the hotel will have to purchase the signs and the city would post them. Mr. Correll further recommended that a "Downtown" sign posted instead of a specific hotel sign. Mr. Holmes recommended that perhaps the state would provide signs on the highway during the construction period. **Mr. Holmes with meet with the DOT to discuss this further and report back at the next Traffic Board meeting on Thursday, August 21st. Item held.**

Sign on Beethoven and Highland for MacArthur School. Mr. Kraham recommended that a temporary "St. Thomas Aquinas" sign be posted at this location. The church will be responsible for purchasing the sign and the city will install it. When the school moves back to its original location, the sign will be taken down.

Adjournment. Motion to adjourn at 11:30am.

Moved by Berg, seconded by Holmes.

Motion carried. (Vote 3-0-2)

Ayes: Berg, Holmes, Kraham

Nays: None

Absent: Krey, Yeager

TRAFFIC BOARD MEETING 997
Minutes
Mayor's Conference Room, 4th Floor, City Hall
Thursday, August 21, 2014

Call to Order. Called to order at 10:03 a.m. by Jared Kraham, Executive Assistant to the Mayor.

Traffic Board Member Present: Jared Kraham, Executive Assistant to the Mayor; William Lescault, Police Officer (representing Assistant Chief Yeager); Joseph Mihalko Councilman (representing Bill Berg);

Traffic Board Members Absent: William Yeager, Assistant Police Chief; Bill Berg, Councilman

Also Present: Daniel Correll, Police Sergeant (Retired); Katherine Davis, Principal Clerk; Tito Martinez, City Planning; Cyndi Paddick, BMTS

Approval of Minutes. Request to approve the minutes from Traffic Board Meeting 996, held on Thursday, July 17, 2014. Moved by Lescault, seconded by Mihalko.

Motion carried. (Vote 3-0-2)

Ayes: Kraham, Mihalko, Lescault

Nays: None

Absent: Berg, Yeager

ITEMS CONSIDERED

Washington Street and Hawley Street - Intersection walk light. This item is held until the next Traffic Board meeting in September because Mr. Holmes is absent. **Item held until next Traffic Board meeting on Thursday, September 18th.**

Back-in Parking on Court Street. Mr. Kraham reported that he will meet with Mr. Holmes in Engineering to make sure these parking spaces are accessible for handicapped parking spots on Court Street and report back at the September meeting.

Court Street and Milford Street. Mr. Bob Woodward requested that the stop sign be placed in a better position at this corner. Mr. Correll reported that the stop sign on Milford is a State owned sign and it is sitting back 30-40 feet from the corner. There appears to be a hole in the ground closer to the corner where there was a previous sign. Mr. Correll reported the following:

The Traffic Division received a July 3rd Inter Department Correspondence from Traffic Board Chairman Jared Kraham to review the placement of a Stop Sign on Milford Street, south bound, at Court Street. The IDC implied that constituents in that neighborhood feel that it is too far from the intersection and if they stopped at its present location they would not have an adequate line of sight to the Court Street traffic.

The Traffic Division upon reviewing found a state inserted sign pole with a stop sign attached to control south bound traffic on the west curb line of Milford Street. The sign was about forty feet north of the intersection of Court Street. Although its present location was back at a point that if motorist initially stopped in advance of the sign they could not see traffic on Court Street, this would not impede them from pulling forward and stopping again prior to the intersection to view the cross traffic again.

The Traffic Division, upon further observing that corner where a more appropriate location could be for a stop sign, did locate a hole in the pavement where it appears that a sign may have been previously placed. This location did not appear to obstruct any line of sight or pedestrian passage.

Upon contacting Tony Signorelli, Traffic Engineer, NYS DOT Traffic and Safety of the concern he did detail a crew to review it and after, advised that even though the present location did not appear to be in error that he would have the sign moved to the point more closer to the intersection. **No action needed.**

Chenango Street and West State Street. Councilwoman Lea Webb requested that Traffic Board look into the pedestrian walking infrastructure at the entrance to the K-Mart plaza. Mr. Correll reported the following:

The Traffic Division received a request from Traffic Board Chairman Jared Kraham at the July, 2014, Traffic Board meeting to review the pedestrian walking infrastructure at the intersection of Chenango and West State Street and the entrance to the Binghamton Plaza (K-Mart entrance). The request appears to be a concern with pedestrians crossing the street at that location and then once across the street access to the businesses which are on the far side of the plaza.

The first concern may be due to the lack of pedestrian (cross/don't cross) controls at that location. A study to determine if they are warranted would have to be conducted over a period of time. If they are warranted for the intersection then a budget line item would have to be created and then purchased. If it is not warranted then the existing structure appears to be adequate as those crosswalks are in place and pedestrians would have to obey the traffic signals for that area.

The second concern would appear to be a plaza management issue, as this is private property. Once the pedestrians crossed the intersection from the east side of the street to the west side and enter the plaza property there is no walkways of designated pedestrian lanes. This issue would affect not only the pedestrians entering the plaza but also motorist parking their vehicles in the parking area and then walking to the businesses.

The only other obvious issue would be the lack of a sidewalk on the west side of the street parallel to West State Street. An engineer study would have to be done to determine the public access to that side of the street and then installed if indeed there is a city right of way along that curb line.

Ms. Paddick will check with Scott Reigle from BMTS to see what the results of the walking audit were and she will report back to Traffic Board. Mr. Kraham will speak with Mr. Holmes regarding the upcoming 2015 projects and report back to Traffic Board. **Both Ms. Paddick and Mr. Kraham will report their finding at the next Traffic Board meeting on Thursday, September 18th. Item held.**

Leroy and Front Streets Traffic Light. M&T Bank and River House are having issues at this location because the traffic is backing up due to construction on Riverside Dr. They would like a four way flashing light at this intersection during the construction period. DPW will look into the timing of the current lights to see if they can be adjusted to provide more time for people to exit the two facilities. This item is held until the next Traffic Board meeting in September because Mr. Holmes is absent. **Item held until next Traffic Board meeting on Thursday, September 18th. Item held.**

351 Front Street. At the August Traffic Board meeting, Ms. McCullen presented the applicant's proposal for constructing an addition to the existing building which is currently operating a towing, auto repair and car rental business. Trucks will have to back into the facility on Franklin. There is potential for extra noise due to the extra amount of trucks coming and going. At today's meeting, Mr. Martinez reported that company removed the parking on the east side of the lot to allow for trucks to park and move around. They need Traffic Board approval for an 80 foot curb cut variance. Mr. Kraham suggested a weight limit sign on Franklin Street and Mr. Correll suggested that a "Local Truck Traffic Only" sign be installed as well. **The decision on the two signs will be held until next Traffic Board meeting on Thursday, September 18th. Item held.**

Motion for approval of an 80 foot curb cut variance on Franklin Street.

Moved by Mihalko, seconded by Lescault

Motion carried. (Vote 3-0-2)

Ayes: Kraham, Mihalko, Lescault

Nays: None

Absent: Berg, Yeager

Holiday Inn-Downtown. The Holiday Inn requested directional signage be posted near Prospect Street. Mr. Correll reported that the owner feels that his customers are having a hard time finding the hotel due to the highway construction. The owner would like a sign that says “Holiday Inn” with double arrow directions. If approved, the hotel will have to purchase the signs and the city would post them. This item is held until the next Traffic Board meeting in September because Mr. Holmes is absent. **Item held until next Traffic Board meeting on Thursday, September 18th.**

100 Chenango Place. A request by Bethany Finch for a “Yield to Pedestrians” sign to be installed at this location. Mr. Correll reported the following:

The Traffic Division received the attached correspondence from Traffic Board Chairman Jared Kraham, directed to the Mayor Rich David’s office, from Bethany Finch, president of the Tenants Association, 100 Chenango Place, with a concern for the residents at that senior citizen housing location crossing the street.

The Traffic Division responded to the area to review the concern. Chenango Street is a two lane, north-south roadway. A pedestrian crosswalk is marked on the pavement from the east to the west curb line of Chenango Street. There is on street parking along the west curb line that is in compliance with the NYS Manual of Uniform Traffic Control Devices for the appropriate distance to maintain an adequate line of sight for pedestrians using the crosswalk.

To address the concerns of the residents of that area there are two options:

- a) Yellow Diamond Angle Warning Sign with pedestrian symbol in crosswalk in advance of the crossing in each direction to alert motorist that there is a crosswalk ahead.*
- b) In Street portable stop for pedestrian in crosswalk sign alerting motorist to stop for pedestrians in the crosswalk.*

The first one is a warning only sign and the second one is an enforceable sign that motorist must stop for pedestrians using the crosswalk.

Ms. Paddick will look at this location and report back at the next Traffic Board meeting on Thursday, September 18th. Item held.

Oak Street and Leroy Street Traffic Light. Kraham reported that a tractor trailer hit the signal and damaged it in the process. The traffic light came down and there is a temporary four way stop currently in place. Ms. Paddick reported that a four way stop is warranted at this intersection and is the right thing if there is no signal. She stated that a four way stop is needed, a two way stop would not suffice. Ms. Paddick suggested that a memo should be sent to the Binghamton City School District of the change. Mr. Kraham will inform Dr. Penna about this new change, before the school year begins.

A motion to install four permanent stop signs with “4 way” on the sign, change the parking spaces as needed and install all necessary painting on the streets and then review the intersection in 6 months to see if there are any issues.

Moved by Mihalko, seconded by Lescault

Motion carried. (Vote 3-0-2)

Ayes: Kraham, Mihalko, Lescault

Nays: None

Absent: Berg, Yeager

Chenango Street and Eldridge Street Intersection. A large building on the west side of Eldridge Street makes it very difficult for motorists to see oncoming traffic from the north side. A request was made to install a “No Turn on Red” sign at this corner to avoid any potential accidents. **Traffic will look into this and report back at the next Traffic Board meeting on Thursday, September 18th. Item held.**

Beethoven Street and Leroy Street Accidents. Mr. Mihalko requested that this intersection be reviewed by Traffic Board because there have been three accidents in one month. Mr. Correll reported the following:

The Traffic Division received the attached correspondence from Councilman Joseph Mihalko showing pictures of a motor vehicle into the fence of a resident at a 144 Leroy Street and a citing a concern that there is an increase in the number involving motor vehicle incidents at the intersection of Leroy Street and Beethoven Street. Mr. Mihalko also cites the need to finish street striping and crosswalk painting He also inquires if one traffic control device (traffic lights) can be replaced with another (four way stops), It is assumed that he feels this action would reduce or eliminate motor vehicle incidents at that intersection.

The Traffic Division responded to the above intersection to review the immediate area to see if there was any change in the area to provoke an increase in reported motor vehicle incidents. The Traffic Control Device was operating in proper sequence. There were no obstructions to the light. The only observable change to that area was a detour route established to move motor vehicle traffic off of Riverside Drive and onto adjacent streets during the upgrade street construction of Riverside Drive.

The Traffic Division also reviewed the reported motor vehicle accidents at the intersection of Beethoven Street and Leroy Street for the last three years. Nine reports directly related to that intersection were found;

2012 - 1

2013 - 3

2014 – 5.

Of the five incidents in 2014 one was in June, two were in July and two in August. In reviewing those incidents none appeared related. Two incidents involved driver inattention in not knowing if they had a green light; one involved a turning incident where he failed to control his vehicle; one involved a vehicle yielding to pedestrian traffic crossing the roadway against the traffic light and upon the operator resuming his travel was struck by a motorist who observed the pedestrian traffic but not the other vehicle and proceeded into the intersection when the light changed to green and was in collision and the last one involved a motorist disregarding the traffic control and was in collision with another vehicle.

At this time the Traffic Division finds no recourse to eliminate the increase in incidents, but will review the intersection periodically to attempt to detect any faults to assure public safety during the increased traffic through the area.

Ms. Paddick will look into this location and review the accidents reports and report back at the next Traffic Board meeting on Thursday, September 18th. Item held.

Adjournment. Motion to adjourn at 10:49 a.m.

Moved by Mihalko, seconded by Lescault

Motion carried. (Vote 3-0-2)
